RETURNING TO ORDINARY LIFE: Six weeks into our Easter rejoicing, the Church gives us readings today that start preparing us for a return to ordinary life. The Acts of the Apostles and the Gospel both dwell on proper daily behavior for followers of Jesus, while the reading from Revelation reminds us why we bother with laws at all. In Acts, leaders of the church meet to discuss which essential elements of the Mosaic Law converts must obey if they wish to be disciples of Jesus Christ. John's Gospel reflects back to the Last Supper discourse when Jesus himself emphasizes the importance of obeying God's commandments. Observing God's law, says Jesus, shows a desire to be intimate with the Lord. We follow rules not for their own sake, but to love God and neighbor better. This more excellent love brings us closer to Revelation's vision of paradise, gleaming with "the splendor of God." © J. S. Paluch Co.
