CONGRATULATIONS to all our young people who have or are graduating this spring, from our Catholic & public schools, whether it be 8th grade, high school, technical school, college or advanced degrees. May God bless them & keep them close to Him.

WHAT GOD IS UP TO The Christian community gathered in the Upper Room, awaiting the Holy Spirit, has long stirred the Christian imagination. In our own time, when the Church has a long history of Christian faith but now faces many challenges, we might return to this image. Like the first disciples, we often don't know what to do next. What used to work for us doesn't work as well. We need to stay together, honor diversity, reflect upon the roots of our faith, and remain rooted in prayer.

Yet there is more. Pentecost has happened and is happening. The Spirit has already burst out into the world, already stirring among those who are confused about God. The Book of Acts tells the story of a Church continually pushed out by the Spirit, to join in what God was already up to, out in the world. We too are invited not only to remember our unity and our roots, but to pay acute attention to how the Spirit is working in our local communities. © J. S. Paluch Co.
